

Can you help King Josiah find the book?

Wonder time

Take some quiet time to colour and think about these questions. If you like, you could talk to someone else or maybe even pray to God about them...

I wonder what great things I will do

I wonder how God might speak to me

Josiah

(2 Kings 22 & 2 Chronicles 34)

When Josiah was eight years old
he became a king
He ruled over Jerusalem
Everyone and everything

When Josiah was still quite young
He pulled alters down to the ground
He burned idols to dust
He made changes all around

He went back to Jerusalem
And there he found a book
This book was written by Moses
And its truth made him shook

"We must do what this book says"
He orders everyone around
Josiah realises the power of God
And falls humble to the ground

God is happy with Josiah
As he listens to what is read
Josiah realised they need to change
What they do, and what they've said

King Josiah summoned all the leaders
And made a promise out loud
He promised to follow the book that's written
Do more to make God proud

He also asked his people
To follow just like him
So that they all can love the Lord their God
And live a life free from sin.
